

If I can go through a day with an unlimited budget, I would like to invite my parents to have this wonderful day with me. I made this decision because they are the ones who raised me up and gave me my life. I should not take their sacrifices for granted; therefore, I would never leave them behind on a great opportunity like this.

How will I have this day? First of all, I will rent a private air-plane to carry us to the United States. We will have the best champagne on the plane and enjoy the view outside of the window. After we arrive in America, I will arrange for a

zero-gravity experiencing tour. The plane carrying us will pull up high in the sky and drop freely so that we will experience the feeling of an astronaut during that time. Later on, I will take my parents to the NBA finals. We will sit in the first row where celebrities and V.I.P.s will <sup>accompany us</sup>. They will witness the power of Dwight Howard and the speed of Dwayne Wade, star players of the NBA. Then, our accommodation will be at the pent house of the Four Seasons Hotel, one of the most luxurious place in the whole world. For dinner, we will eat at a restaurant which provides the most high-class caviar in the whole world. We will enjoy it with some white wine and a live violin perform. Finally, we will go see the Phantom of the Opera in Broadway after dinner, and return to our hotel for a good night's sleep. If I ever have the opportunity, this is the traveling schedule that I plan to take my parents on. I think this is what they deserve after so many years of hard work.
